## Meetings of the Forum

4 February 2026

### General

The Forum will meet at least once each year.

The Steering Group will call other meetings as needed to discuss specific issues as they arise. Notice of meetings will be sent to all members by email. If you wish to attend the next meeting, please join the Forum. It is free to do so.

### Conduct at Meetings

At meetings of the Forum, members are expected to;

- Speak calmly and respectfully, understanding that others may not share their point of view.
- Declare any actual, potential or perceived conflicts of interest in relation to matters to be discussed at each meeting.
- Engage constructively in discussion to further conversations.
- Seek to reach agreement or consensus with fellow decision-makers.

### Voting at meetings

All matters for decision, other than changes to the Constitution or Dissolution, shall be decided by a simple majority of those present and voting. (Changes to the Constitution or Dissolution require a two thirds vote in favour to be passed.)

Each individual member gets one vote, and each business member gets one vote. Where there is more than one member in a household each of those members gets one vote, but no more than 2 members from each business may vote.

In the event of a tied vote the proposal being voted on does not pass.
